

SPONSOR GUIDELINES

What we expect from our sponsors:

Our most valuable gifts and resources are those that help our art community flourish. It is important to us to make sure that the art and the artists are our number one focus.

- We ask you, as sponsors, to share our events and information on all of your social media platforms that you use.
- Please provide imagery, artwork, and a logo that we can share on our own social media platforms and in print form for posters.
- If your organization wishes to have a presence at our events, we may provide a table at no cost (if space is available), any informational materials you would like to provide us for display, or public speaking space if we have it available.
- We expect all your people from your organization to treat our artists, volunteers, and OAC members with mutual respect and courtesy in a professional manner.

Additional Sponsorship Options:

Below are examples from previous sponsors and how they helped with our art shows and events.

- It is possible for you to create your own prizes for the artists by awarding and distributing them on behalf of your organization. Such as a cash prize for being "The Best in Show" decided by people within your organization.
- A social media contest can be arranged to help create following for your organization as in a "like and tag a friend" or a "like and share". Either on our social media or yours. Prizes TBD.
- Any donation of equipment, volunteer time, or spaces for events.
- Donations to our non-profit partners.
- Buying Art
- Introducing our artists to other opportunities.

We are grateful for your interest in being our sponsor.
If you have any questions or concerns, please don't hesitate to ask us.
