ALTR Gallery Support Tiers

Tier 1: Venue Only

If you require no additional support beyond the use of ALTR Gallery as a venue and the basic amenities provided, there is no additional rental fee.

Tier 2: Sales Support

We offer two levels of sales support:

- **Basic Sales Processing:** If we are only managing exhibition sales, we will deduct credit card processing fees from the total sales before the final payout.
- **Sales + Artist Fee Collection:** If we are also collecting artist fees on your behalf, we will deduct any PayPal, Venmo, or other payment processing fees in addition to credit card fees.

Tier 3: Planning + Administrative Support

(Includes Tier 2 services)

We provide assistance with administrative tasks, including communication with artists, vendors, and other partners. Our team will also help develop promotional materials, such as social media campaigns, press releases, and invitations. Please note: if paid advertisements are required, the cost of ads will be billed separately. We recommend considering an artist fee to help cover these expenses.

Additional rental fee: 15%

Tier 4: Installation Support

(Includes Tiers 2 and 3)

We offer logistical support for installation, including a dedicated gallery team to assist with artwork drop-off, setup, and takedown.

Additional rental fee: 20%

Tier 5: Full-Service Support

(Includes Tiers 2, 3, and 4)

For exhibitions requiring comprehensive support, we can assist with calendar planning, creating the call for artists, managing the jury process, collecting artist fees and contracts, and overseeing all exhibition logistics.

Additional rental fee: 25%

Please note that all tiers and the support provided are flexible and can be tailored to meet the specific needs of each exhibition proposal. We are happy to discuss and negotiate the level of support required to ensure the best outcome for your project.
